

## TRANSPORT

CLEAN AT WORK, AT HOME, AND ON THE GO.

Trucking is what you do. You know the continent like the back of your hand. Now all your rigs have mobile communications platforms, you use the latest smartphone apps, and suddenly all that interactive technology became indispensable overnight. Those touchscreens get pretty grimy with the miles, so you keep an iCloth in your gear to keep the platform clear and clean. Over 200 million iCloth wipes have been trucked to happy customers. Try them up front in your cab!

✦  
We make better wipes,  
because the future of technology  
has your fingerprints all over it.
