

AUTOMOTIVE

CLEAN AT WORK, AT HOME, AND ON THE GO.

Admit it; the family car gets a little dirty from time to time. We empathize. Your dashboard screens, the onboard GPS, the touchscreen - even the media dials - and most of all - whoa - your kids' screens in the back seat. It's not pretty. iCloth comes to your rescue when the boss asks for a last minute ride to the conference. One-step cleaning - quick out of the sealed pouch - and you've got that promotion in the bag.
