CLEAN AT WORK, AT HOME, AND ON THE GO.

◆◆  
We make better wipes,  
because the future of technology  
has your fingerprints all over it.

So you get home from a long day at the office, the truck route, the airline, the police beat, the local eatery. You're exhausted. You want to kick back and play that really dumb but addictive game on your tablet... But wait, some little fingers have been busy, and your screen is a smudgy mess! And darn it- who's been using your reading glasses? They're filthy! Whip out your iCloth, clean both in a jiffy and enjoy a crystal clear view of that guilty pleasure. With thousands of iCloth users like yourself, you're in good company. We know, we know - you're going to uninstall that game tomorrow.
